GENERAL CIRCULAR NO. 3/2001

ARCHITECTURAL EXAMINATION COUNCIL MALAYSIA

1. The Architectural Examination Council Malaysia has been established pursuant to Section 4(1)(ga) of the Architects Act 1967. This Council is responsible to conduct examinations for admission to enter the architectural profession in Malaysia which include the following examinations :-
 - * Parts I and II Assessment Examination
 - * Part III Professional Examination
 - * Proficiency Test for registered Building Draughtsmen
 - * Other examinations as determined by the Board of Architects Malaysia from time to time.
2. Beginning August 2001, the Architectural Examination Council Malaysia has commenced its operation. All matters relating to such examinations will be handled by the Council. In line with the above, the secretariat for both the Parts I & II Assessment Examination and the Part III Professional Examination has been transferred from Pertubuhan Arkitek Malaysia (PAM) to the Board of Architects Malaysia (LAM).
3. All applications and correspondence pertaining to the above examinations should therefore be addressed to the Secretariat of the Architectural Examination Council Malaysia at LAM's office.

By Order of the Board,

(ZAINAB bt. MOHAMED)

Registrar
